RESOLUTION NO. 417 (2025)

A resolution to authorize the formal transfer of the Painttown Gym from the Tribe to the Painttown Community Club.

WHEREAS, the question of who owns the "Painttown Gym" and the possessory interest on which it is located has been the subject of much discussion by members of the Painttown Community Club, the heirs of Charles I. Hornbuckle, Tribal Council, and in the Executive Offices; and

WHEREAS, the Office of the Attorney General and the Tribal Realty Office have researched the historical documents related to ownership of the Painttown Gym and the parcel on which it is located and it appears from those documents that the Tribe and the BIA had intended to transfer the parcel, and the improvements thereon, to the Painttown Community Club years ago, but a transfer document completing the transaction has not been found in the Tribe's Realty files; and

WHEREAS, the documents on file in the Tribal Realty Office indicate that the Painttown Gym is located on Painttown Community Parcel No. 296, containing 1.10 acres more or less, adjacent to U.S. Highway 19, and has served the community as an athletic center for many years. The street address of the gym is 10 Old Gap Road, Cherokee, North Carolina; and

WHEREAS, Painttown Community Parcel No. 296 was originally identified as Tract No. 2 and was one of multiple tracts purchased by Charles I. Hornbuckle from other Tribal members in the early 1950s; and

WHEREAS, in the 1950s, Mr. Hornbuckle's purchase was found to be prohibited by federal law because Mr. Hornbuckle was a federal employee at the Cherokee Agency of the BIA. The resolution to this violation was for Mr. Hornbuckle to undo the transactions and divest himself of the parcels; and

WHEREAS, with Mr. Hornbuckle's consent and agreement, the Tribal Business Committee held a meeting on February 13, 1953, to decide who owned Tract No. 2. The Committee decided that Tract No. 2 (now identified as PT Parcel No. 296) would be set aside for the construction of a church pending Tribal Council approval. The minutes of the Committee meeting from that date state the following: "In the event that [Tribal Council] approval is not given [for the church] this tract shall be set aside for use by the Painttown Community Club for recreational purposes"; and

1 **WHEREAS**, a meeting was held on July 28, 1972, between BIA Realty staff and the heirs of
2 Charles I. Hornbuckle, discussing highway frontage of the various tracts (including
3 Tract 2) once owned by Charles I. Hornbuckle; and
4

5 **WHEREAS**, a letter written by the BIA on July 28, 1972, recounting the meeting, states in part:
6 "After making several different measurements the group comprised of Russell
7 Smith, Winona Digh, Gerard Parker and Mrs. [Rubye] Hornbuckle agreed as
8 follows: ... Tract 2, belonging to Painttown Community Club, shall have a highway
9 frontage of 197.21 feet"; and
10

11 **WHEREAS**, the Tribe possesses a U.S. Department of the Interior survey map, dated September
12 21, 1972, which identifies Painttown Community Parcel No. 296 as being owned
13 by the Painttown Community Club; and
14

15 **WHEREAS**, on January 23, 2001, the Tribal Business Committee and the Bureau of Indian
16 Affairs Cherokee Agency approved Revocable Permit No. 218-01/02 for the
17 Painttown Gym between the Painttown Community Club and Denton Valley
18 Auction and Wholesale for a term of one year, and this permit was signed for on
19 behalf of the Community Club by its officers: Chairman Edwin Saunooke, Vice-
20 Chairman Lois Dunston, Secretary Mary Ann Jacobs, and Treasurer Darlene
21 Whitetree; and
22

23 **WHEREAS**, this revocable permit recognized that Painttown Community Club had control and
24 ownership of the parcel and this is further evidenced by the parties agreeing to
25 cancel the revocable permit, the cancellation being also signed for by the officers
26 of the Painttown Community Club and approved by the Tribal Business Committee
27 and the Bureau of Indian Affairs Cherokee Agency on August 14, 2001; and
28

29 **WHEREAS**, given this history, the Painttown Community Club hereby requests Tribal Council
30 to authorize the drafting and execution of a suitable transfer document expressing
31 the transfer from the Tribe to the Painttown Community Club of Painttown
32 Community Parcel No. 296, containing 1.10 acres more or less, including
33 improvements thereon (including the Painttown Gym having a street address of 10
34 Old Gap Road).
35

36 **NOW, THEREFORE, BE IT RESOLVED**, by the Tribal Council of the Eastern Band of
37 Cherokee Indians, in council assembled at which a quorum is present, that the
38 Tribal Realty Office shall write, for approval and execution by the Tribal Business
39 Committee, a transfer document expressing the transfer of Painttown Community
40 Parcel No. 296, containing 1.10 acres more or less, including improvements thereon
41 (including the Painttown Gym having a street address of 10 Old Gap Road), from
42 the Tribe to the Painttown Community Club.
43

44 **BE IT FURTHER RESOLVED** that the Tribal Business Committee and the Tribal Realty
45 Services are hereby authorized to carry out the intent of this resolution.
46

1 **BE IT FURTHER RESOLVED** that if any provision of this resolution conflicts with any
2 provision of any prior resolution, the conflicting provision of the prior resolution
3 shall be and is rescinded.
4

5 **BE IT FINALLY RESOLVED** that this resolution shall become effective upon ratification as by
6 the Principal Chief.

TO : Files

DATE: July 28, 1972

FROM : Realty Officer

SUBJECT: Agreement between Heirs of Charles I. Hornbuckle, Representatives of Painttown Community Club and Russell Smith.

On Friday morning, July 21, 1972, at 10:00 a.m. the following persons met on the ground to discuss highway frontage of certain parcels formerly owned by Charles I. Hornbuckle (now deceased) two of which were subsequently transferred to Russell Smith and to the Painttown Community Club, respectively.

Present were: Russell Smith, Mrs. Winona Digh and Gerard Parker representing the Painttown Community Club, Mrs. Rubye Hornbuckle representing the Charles I. Hornbuckle Heirs, Realty Officer, Mrs. Mollie Blankenship and the Realty Survey Crew comprised of Frank West, leader, Paul Catt, John Saunooke and Samuel A. Panther.

Mr. Russell Smith stated that he had received Tract 1 in the division by Charles I. Hornbuckle of the so-called Annie Harlin Tract which had been acquired by Mr. Charles I. Hornbuckle. Tract 1 shows highway frontage of 410 feet, Tract 2 with 227 highway frontage and comprising .9 Acre was transferred to the Painttown Community Club. Tract 3 which is presently held by the Charles I. Hornbuckle Heirs comprising approximately 3.8 acres is shown as having highway frontage of 571 feet.

The crew measured from the corner of the Lloyd Bigwitch holding up to the corner of the Amanda Crowe holding. Several measurements were made and Russell Smith's 410 feet fell somewhat short of the area that he is presently mowing and maintaining. After making several different measurements the group comprised of Russell Smith, Winona Digh, Gerard Parker and Mrs. Hornbuckle agreed as follows:

Tract 1, belonging to Russell Smith, shall have a highway frontage of 429.78 feet.

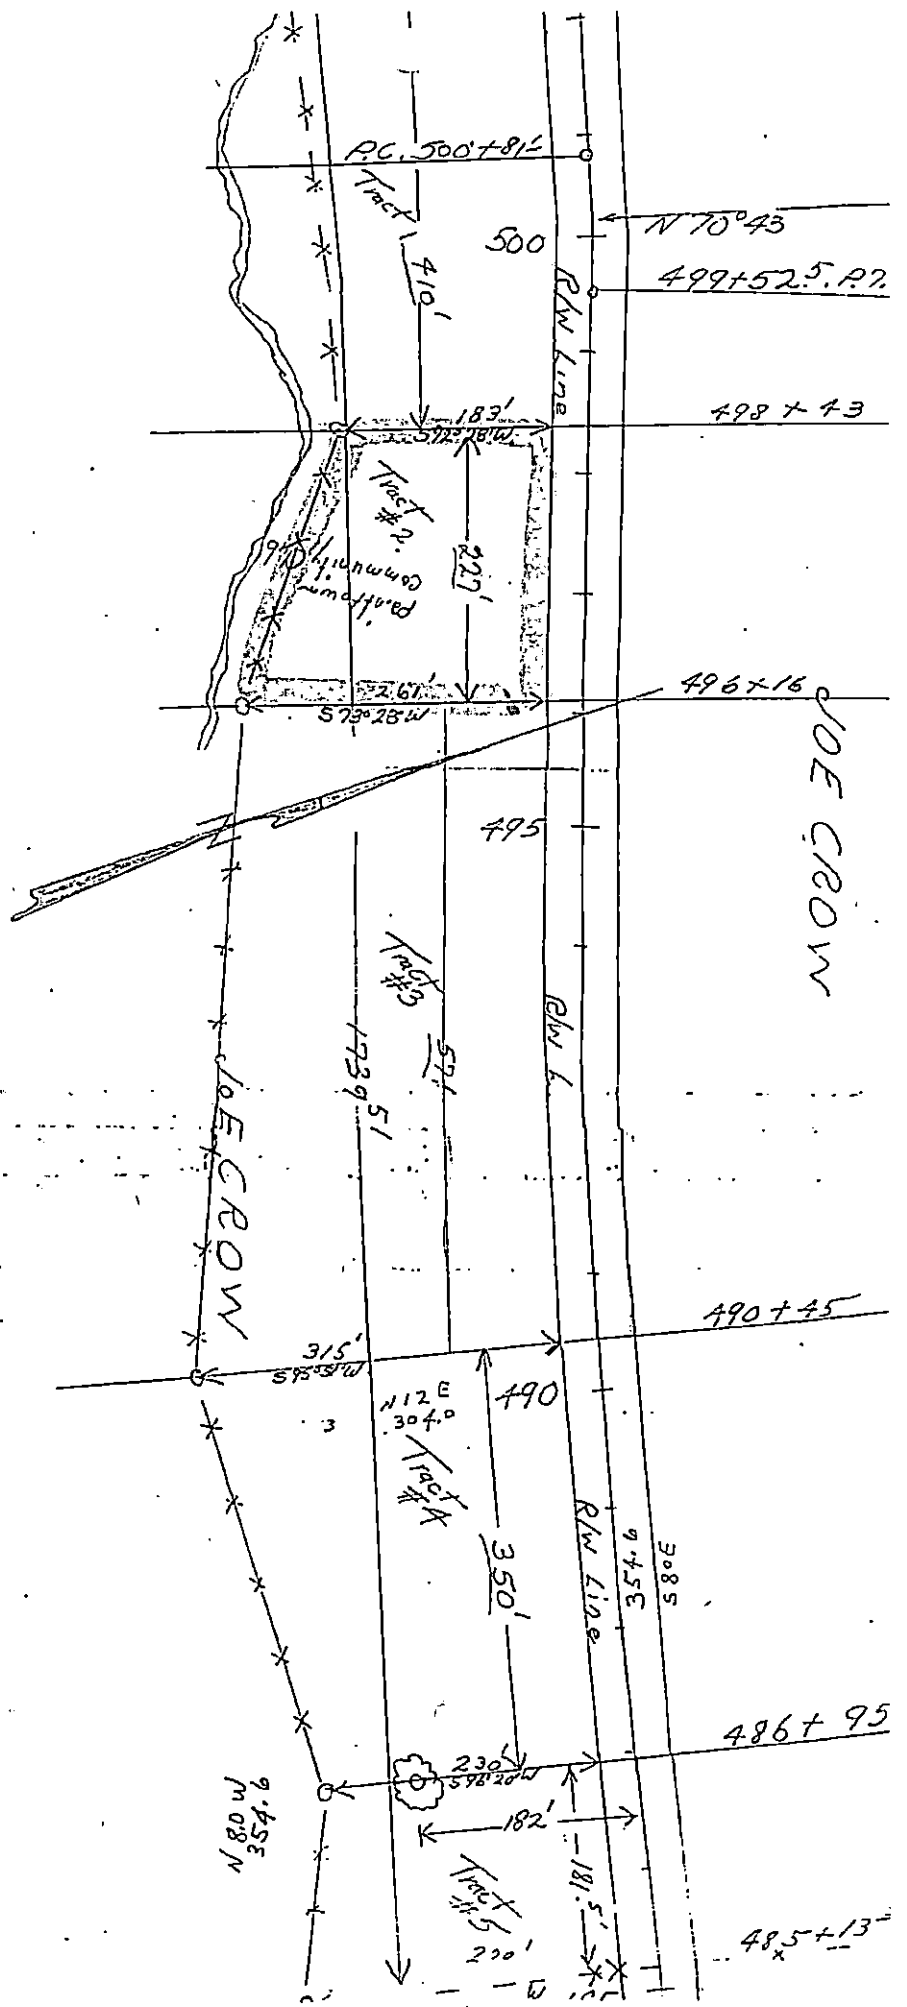

~~Tract 2, belonging to Painttown Community Club, shall have a highway frontage of 197.21 feet.~~

Tract 3, belonging to the Charles I. Hornbuckle Heirs, shall have a highway frontage of 571 feet.

The group thereupon left the site and the survey crew was instructed to complete the field work necessary to finish the map of these 3 tracts.

SPECIAL MEETING OF BUSINESS COMMITTEE
FEBRUARY 13, 1953

Present: Don C. Foster, Area Director, E. W. Dixon, Asst. Area Director, Frank H. Parker, Tribal Attorney, Osley B. Sammons, Principal Chief, Meroney French, Vice-Chief, Joe Jennings, Superintendent, Charles I. Hornbuckle, Forestry Aid, William E. Enser, Jr., Administrative Officer.

This meeting was held in reference to the acquisition of the possessory interest in a parcel of land located in the Painttown Community on the Cherokee Reservation by Charles I. Hornbuckle, Forestry Aid (HIA). This parcel of land is in addition to another parcel of land to which Mr. Hornbuckle has the possessory interest. The possessory interest to this holding was transferred to Mr. Hornbuckle by Mrs. Anna B. Harlan under date of June 12, 1947 for \$2,500.00, at this time Mr. Hornbuckle was a Federal employee. The transfer was approved by the then Chief Jarrett B. Myths and Vice-Chief Henry Bradley. According to the minutes of the business committee it did not clear through the normal channels and was not presented to the third member of the committee, Superintendent Joe Jennings, for signature.

The question involved was in connection with the provisions of Section 276.5 of the Code of Federal Regulations, Title 25, Indians, governing trading of a Government employee with Indians.

Mr. Hornbuckle produced a sheet of paper evidencing a transfer of the possessory interest in the land in question from Joe Grown to Mrs. Anna B. Harlan for \$400.00. This transaction was not cleared through the Business Committee at the time of transfer.

Mr. Hornbuckle is a member of the Eastern Band of Cherokee Indians, and it appeared to the satisfaction of the Business Committee, and to the satisfaction of Area Director Foster, that Mr. Hornbuckle had apparently acted in this transaction in good faith and that any violation of the Code of Federal Regulations governing trading of a Government employee with Indians had been purely by inadvertence on his part.

In an effort to clear up the transactions involved the present Business Committee, upon the recommendation of the Area Director, requested Mr. Hornbuckle to furnish a plot plan showing the manner in which he wished to dispose of his possessory interest in this parcel of land. Said plot plan was prepared by the Area Road Engineer and is attached as a part of this record. The plan shows the division of the land into five tracts which are as follows:

The Business Committee approves of Mr. Hornbuckle disposing of his possessory interests in the tracts under the condition that they shall be disposed of without profit to him, but that he should be entitled to receive not more than \$2,500.00, the amount which was paid to Mrs. Anna H. Harlan for her possessory interest. The transactions approved upon this condition are as follows:

1. Tract No. 1 to Russell S. Smith for the sum of \$700.00. The greater portion of this amount has already been paid to Mr. Hornbuckle and arrangements have been made between Mr. Smith and Mrs. Hornbuckle for the payment of the balance.
2. Tract No. 2 to be held pending action by the Tribal Council of the Eastern Band of Cherokee Indians relative to a request by the Catholic Church for the setting aside of a site for the construction of a church on the Cherokee Reservation. Should approval be given by the Council for the construction of the church the possessory interest shall be transferred to them. In the event that approval is not given this tract shall be set aside for use by the Paintown Community Club for recreational purposes.
3. Tracts 3 and 5 are to be transferred to Mrs. Lottie Hornbuckle Mason without reimbursement to Mr. Hornbuckle. This transfer being made with the condition that no agreement will be approved for a permit for the use of the land for business purposes for a five year period - but that Mrs. Mason shall have the right to erect and operate a business on the holding if so desired upon compliance with council resolutions.
4. Tract 4 to Boyce J. Allison. In this transfer Mr. Allison is to receive the possessory interest in the tract together with all buildings thereon together with title to a 1942 Dodge Coupe, Motor No. 2710236A; he is to transfer to Charles L. Hornbuckle the title to a 1951 Pontiac 6 Coupe, Motor No. 29256582. Both parties certify that there is no outstanding indebtedness on the vehicles being transferred.
