Resolution No. \_\_\_\_\_ (2019)

WHEREAS, the American Indian Science and Engineering Society (AISES) is a national, non-profit organization focused on substantially increasing the representation of American Indians, Alaska Natives, Native Hawaiians, Pacific Islanders, First Nations and other indigenous people of North America in science, technology, engineering and math (STEM) studies and careers; and,

WHEREAS, the vision of the American Indian Science and Engineering Society (AISES) is for future generations of Native people to be successful, respected, influential, and contributing members of a vast and ever-changing global community; and,

WHEREAS, we are asking Tribal Council to support the Eastern Band of Cherokee Indians in starting a tribal chapter of AISES

NOW THEREFORE BE IT RESOLVED by the Tribal Council of the Eastern Band of Cherokee Indians in Council assembled at which a quorum is present that Tribal Council hereby approves the Eastern Band of Cherokee Indians in becoming a chapter of AISES

BE IT FINALLY RESOLVED that this resolution shall become effective upon ratification by the Principal Chief
