RESOLUTION NO. 73 (2019)

WHEREAS, the EBCI Transit Service is used by many elders and low-income families to complete many of their everyday activities such as grocery shopping; and

WHEREAS, many elders and low income families use the Transit Service to go to the grocery store or receive food from the Tribal Foods Distribution Program because they do not have transportation and our communities focus on helping the elders and families in any way that we can; and

WHEREAS, Transit riders are only allowed two bags on the transit vehicles, this creates a hardship on elders and families hindering them from transporting an adequate amount of food home; and

WHEREAS, the two-bag restriction can cause families receiving services from the Tribal Food Distribution Program to forego much needed food services.

NOW THEREFORE BE IT RESOLVED by Tribal Council of the Eastern Band of Cherokee Indians in Council assembled at which a quorum is present that Tribal Council, the Principal Vice Chief, Principal Chief, and the management team of the EBCI Transit Program revise policies to better accommodate their customers, especially when it comes to transporting food to feed themselves and their families.

BE IT FURTHER RESOLVED that the policy revision be completed by December 31, 2019 and a report be given during the January 2020 session of Tribal Council.

BE IT FINALLY RESOLVED that this resolution shall become effective upon ratification by the Principal Chief and _____ is authorized to carry out the intent of this resolution and that all resolutions that are inconsistent with this resolution are rescinded, and that this resolution shall become effective when ratified by the Principal Chief.
