Tabled Res. No.31 (2019) - asking that the Tribe label all cannabis products by using the already created Cherokee made and Cherokee Grown labels to compete in the emerging and extremely lucrative nationwide industry and requesting that the Tribe pass a resolution to allow a referendum vote with the following questions with a simple yes/no vote on; 1.) Allow a higher THC level than the state, 2.) allow medicinal cannabis, 3.) Full legalization (Item #3) 9:50 AM
